

Port-a-Cath Pillow

Fits over seat belt to cushion area.

Designed by Kitty Crawford

Materials:

- Fleece fabric – two (2) pieces, each measuring 4" x 7"
- Polyfill Stuffing
- Hook & Loop Tape (i.e. Velcro) – 3 ½" per pillow

Directions:

1. On one fabric layer, with right side up, pin hook and loop tape short ends one each in the center of each long side. Put rough (hook) side up and put soft (loop) side down with the edges in the seams. Place the second piece of fabric on top, with right sides of the fabrics together.
2. Sew around the pillow using a 1/4" to 3/8" seam, leaving an opening for the stuffing.
3. Stuff the lightly and hand stitch the opening closed. Round corners of Velcro.
